

# Become a *Friend of Searchlight* and support the HOPE not hate campaign

The HOPE not hate campaign is Britain's leading anti-fascist organisation. In the recent European elections it mobilised thousands of activists and distributed 3.4 million newspapers and leaflets. Over 120,000 people, that's one in 450 adults in Britain, have taken part in some form of activity for HOPE not hate.

Although the BNP now has two MEPs it is widely accepted that the election results could have been far worse had it not been for our campaign.

Now we need to start to organise for 2010. Over 130 council wards, in many parts of the country, are at risk in next year's local elections and there is a real fear that the BNP could take control of Barking and Dagenham council, as well as pose a serious threat in the two parliamentary seats covering that area.

We need to build a campaign that can stop them, but this requires money. That is why we have set up Friends of Searchlight. For just a few pounds every month you can enable us to build the infrastructure that is necessary to defeat the BNP.

Your support will allow us to:

- Hire HOPE not hate organisers in the key regions.
- Fund our online campaign, which is already Britain's biggest and most effective new media operation.
- Establish an Organisers Academy, which will train and support local HnH activists.
- Create a national online phone bank so that HnH supporters, wherever they are in the country, can help identify and turn out the anti-BNP vote in key areas.
- Fund local leaflets and campaigns in the 130 council wards at risk.
- Run a professional general election campaign in Barking, Dagenham & Rainham and the three constituencies in Stoke-on-Trent.
